Dear Sir,

We are pleased to inform you that the Singapore Golf Association ("SGA") will be implementing a Centralised Handicapping System ("CHS"), which will come online on 4 August 2016. The CHS will replace the current handicapping system, where each SGA Ordinary Member maintains its own system of records for its individual members' Handicap Index.

Your members, and your representatives who are authorised to use the CHS on behalf of your members, will be required to register at SGA CHS website chs.sga.org.sg. Registration will open on 20 Jun 2016 and close on 25 Jul 2016.

During registration, they will be asked to agree to the Terms of Use for the CHS. For your members who register themselves, SGA may require you to verify any personal data provided by them, including their membership status.

SGA shall be entitled to assume the accuracy of any and all information provided to us, and/or as may be uploaded by any of your members or your authorised representatives (or any person purporting to be your authorised representative), onto the CHS.

We thank you for your cooperation, and look forward to the successful implementation of the CHS.

Yours sincerely,

COL(Ret) Peter Teo
General Manager
