Apply

Request

Add Billing Organisation

22 Nov 2018 11:47 AM Singapore

Add a new billing organisation for pre-arranged payments.

To personalise your bill payment list, please specify the details of the bill and click 'Next'. The billing details will be stored and automatically displayed to you under 'Pay Bills'.

Alternatively, you can also pay to the corporations on the list without making any pre-arrangement.

3) Internet Banking via **OCBC**:

The screenshot displays the OCBC Bank internet banking interface. At the top, the OCBC Bank logo is visible. Below it, a navigation bar contains links: 'Your accounts', 'Payments & transfers', 'Investments & insurance', 'Customer service', 'Open an account', and 'Rewards'. The main content area is titled 'Pay bills' and includes a sidebar with options: 'Multiple bill payment', 'Single bill payment', 'Add & manage payees', 'Manage future-dated and recurring payment', 'Authorise card payer', 'Manage authorised card payer', 'Check internet transaction status', and 'Manage e-Alerts'. The 'Add & manage payees' option is selected, leading to the 'Add a billing organisation' modal. This modal has a title bar with a close button and a help icon. It contains a dropdown menu with 'SINGAPORE ISLAND COUNTRY CLUB' selected, a 'Bill Reference No' field with 'Z0001' entered, and a 'Next' button. Below the modal, a section titled '1. Who would you like to pay today?' offers three radio button options: 'Pay billing organisation' (selected), 'Pay your OCBC/Plus! credit card bill', and 'Pay credit card bill from another bank (Visa / MasterCard)'. A 'Note' on the left side of the modal states: 'On 1 July, Assurance will be ren...'. Below the modal, there is a list of payment methods: 'DBS', 'Citibank credit card starting with number 4265-6990-XXXX-XXXX', and 'Corporate debit/credit cards'. A footer note reads: 'Please contact your respective issuer bank on alternative payment methods.'

Additional Notes:

Please choose payee activation method:

☐ Online Security Device

☐ Self-service phone banking with your Telephone PIN / Mail to your address on the next business day.

☐ Send Online Authorization Code via SMS to Mobile number.

Important note:

All payments made will be treated as a transaction falling on the next business day and accordingly processed on the next business day. For example, if you make the payment on 10.15am on a Friday, this payment will only be processed on the following Monday.

Payments will be effected within 5-7 working days save for delays due to unforeseen circumstances. Please schedule your payment in advance to avoid any late payment charges imposed by your billing organisation (if applicable).

Your billing organisation may show this payment in your statement with them as a payment via a third party if such third parties are used to facilitate the payment i.e. AXS Pte Ltd

Please ensure you have indicated the correct account number registered with your billing organization or the correct bill reference number. Failure to do so may result in your payment being made in respect of an incorrect account or incorrect bill. Citibank will not be responsible for such errors or any loss incurred by you in using this payment service or any resulting loss or damage incurred by you except in the case of our gross negligence or willful default.

After payment has been effected, you would need to contact the relevant billing organization for any bill payment related issues. Any dispute regarding the product/service with the relevant billing organization should be referred and settled directly with such billing organization. Citibank is not responsible for any third party products and/or services.

Any bill payments using your credit card account(s) as a source of funds will not be considered as a retail purchase and you will not earn any reward points in respect of such payments.
