TRAFFIC DIVERSION DUE TO SEWERAGE WORKS

Starting December 2019, carpark lots along Sime Road and Carpark B, and the entire Carpark C (Site Area 1) have been closed for sewage diversion works. Currently, the sewage pipes serve both the Bukit Freehold Land and the Bukit Leasehold Land Clubhouses, and the Land Transport Authority is carrying out works to segregate the sewage lines for both clubhouses.

In order to facilitate the works at Site Area 3, the entire stretch of the road from the Bukit caddy hut Y-junction to after the current bag drop off staging will have to be converted to one way “IN” and exit round the Bukit Freehold Clubhouse for three months from **24 February to 23 May 2020.**

Additional carpark lots will be added to Carpark D.

We apologise for any inconvenience caused.

Thank you.
