MESSAGE TO MEMBERS – BUKIT LAND LEASE

From the last update to Members on 1 July 2020, negotiations with the Labour Movement are ongoing to continue finding the right collaborative approach to managing the Sime Public Golf Course. There has been a two-month extension of the deadline until **31 October 2020** for the Labour Movement to exercise the Exit Rights. This extension is necessary for both parties to discuss the key points raised by the Labour Movement.

The Management will keep Members updated on the progress of the land lease renewal.

Thank you.
