COMMENCEMENT OF BUKIT FREEHOLD LAND REDEVELOPMENT

A traditional groundbreaking ceremony took place Monday, 5 October 2020 to mark the first official day of construction of the Club's new Clubhouse at the Bukit location.

Chairman Khoo Boon Hui, Club President Andrew Low, Vice President Han Fook Kwang, Planning & Redevelopment Committee 2 Chairman Edwin Lee, General Committee Members and Members of PRC2 were present to witness the ceremony.

The new development will provide Members with a new Clubhouse with a "family forest" design theme consisting of rich natural courtyards built with natural materials.

The new Clubhouse is set to provide an immersive and restorative retreat for Members to socialise and forge communal bonds.

The building is scheduled to be ready by end of 2022. The contemporary design features a plethora of golf, sports, lifestyle and dining facilities. The variety of spaces is designed to be seamlessly connected with the use of natural materials to create well-ventilated spaces throughout the Clubhouse.
