

SIGNING CEREMONY WITH KEPPEL CLUB

A signing ceremony of the Memorandum of Agreement (MOA) with Keppel Club was held on Friday, 27 November 2020, between SICC and Keppel Club to mark the beginning of a fruitful collaboration at the Bukit Location.

Club President Andrew Low and General Manager Desmond Tay welcomed Keppel Club President Lai Mun Onn and Keppel Club General Manager Desmond Chua at the Bukit Leasehold Clubhouse. They exchanged courtesies before proceeding to sign the documents, and thanked one another for the swift discussions carried out thus far.

This MOA is a crucial step for SICC, as the extension of the land lease at the Bukit location for 2022 to 2030 was premised on SICC reaching a sharing agreement with the Keppel Club. Details of these arrangements will be finalised in the Facility Sharing Agreement.
